PROFESSIONAL SUMMARY

Results-driven Computer Science graduate and Data Analyst with strong experience in data analysis, web systems development, and technical mentorship. Proven ability to analyze complex datasets, build insightful dashboards, and develop secure web-based solutions. Experienced in client projects, academic research, and contract consulting roles. Passionate about data-driven decision-making and continuous professional growth.

CORE SKILLS

Data Analysis & Analytics

- Microsoft Excel, Pivot Tables
- Power BI, Data Visualization
- SQL (PostgreSQL)
- Data cleaning, reporting, insight generation

Python & Data Science

- Python, Pandas, NumPy
- Matplotlib, Seaborn
- Exploratory Data Analysis (EDA)
- Machine Learning fundamentals

Web & Software Development

- HTML, CSS, JavaScript
- PHP, MySQL, Bootstrap
- Flask (basic), Node.js & Express (basic)

Design & Productivity

- Figma (basic), Canva
- CorelDRAW (basic)
- Microsoft Word, PowerPoint, Google Meet, Zoom

Soft Skills

- Analytical thinking
- Communication & teamwork
- Leadership & mentorship
- Problem-solving

PROFESSIONAL EXPERIENCE

Data Analyst (Contract)

One StepAhead Consulting Company — 2025 – Present

- Analyze business and operational datasets to support client decision-making.
- Perform data cleaning, analysis, and visualization using Excel, SQL, and Power BI.
- Develop reports and dashboards to communicate insights to stakeholders.

Volunteer Data Analytics Coach

Idealnovate Africa — 2024 – 2025

- Guided and mentored new data analytics students after completing training.
- Assisted learners with data analysis concepts, tools, and practical projects.
- Provided technical direction and feedback on assignments and dashboards.

Instructor (Python Programming)

EL Academy, Abuja — 2023

- Taught Python programming fundamentals to beginners.
- Supported students with hands-on coding exercises and debugging.
- Explained programming logic and data handling concepts.

Software Director

Nigeria Association of Computing Students (NACOS), FUK Chapter — 2024

- Led software and technical initiatives for the department.
- Coordinated student developers and supported academic tech projects.
- Provided mentorship on software development best practices.

PROJECT EXPERIENCE

Client & Professional Projects – Data Analysis & Web Systems

- **Election Outlier Detection and Geospatial Analysis (Kaduna State)**

Analyzed election data to identify voting anomalies and spatial patterns using statistical and geospatial techniques.

- **HNG Ride Data Analysis**

Analyzed ride-sharing data from a PostgreSQL database to uncover trends, usage patterns, and performance insights.

- **Palm Oil Profitability Analysis in Nigeria**

Evaluated profitability and investment feasibility of palm oil plantation operations across key Nigerian states using financial and economic analysis.

ACADEMIC & TRAINING PROJECTS

IDEALNOVATE Africa – Data Analytics Training

- Teaching Effectiveness Analysis Dashboard
- Student Performance Analysis (Power BI)

- Regional Sales Analytics
- Workforce Performance Analytics
- Workshop Performance Analytics

ACADEMIC PROJECT

Smartphone Tracking System

Final Year B.Sc. Computer Science Project

- Designed, developed, and defended a system for tracking mobile devices and managing related data.

EDUCATION

B.Sc. Computer Science

Federal University of Kashere, Gombe State, Nigeria

CERTIFICATIONS

- **Certified Professional Diploma in Data Analysis** – Idealnovate Africa (2025)
- **Level 5 Data Science (NSQ)** – Computer Professionals (Registration Council of Nigeria – CPN) (2025)
- **Introduction to Front-End Development** – Coursera (2023)
- **Introduction to Back-End Development** – Coursera (2023)
- **Python Programming** – EL Academy (2023)

OTHER CERTIFICATIONS & HONORS

- Certificate of Achievement – **Software Director**, NACOS (2024)
- Certificate of National Youth Service – **NYSC** (2025)

ADDITIONAL INFORMATION

- Open to Data Analyst, Junior Data Scientist, and Technical Analyst roles
- Available for on-site, hybrid, and remote opportunities
- Strong interest in analytics, business intelligence, and applied data science
